SPI Sports Management Corporation (SPI), a consortium of local business owners, is looking for community support to help offset the development/operating costs of the Lions SPIPLEX and keep soccer as "the affordable game" for Youth of the Peterborough Region.

Help support soccer in the area by participating in the **TURF BUDDIES** program.

For a \$50 sponsorship per square yard of turf, your name (family name, child's name, etc...) will be permanently displayed in Lions SPIPLEX!

Turf Buddies:

Please forward your sponsorship cheques and make payable to:
